#### 4. SA Crime Statistics – Definitions

The South African Police Service (SAPS) define criminal cases as found in either the common or that are defined in terms of the Criminal Procedure Act, 1977 (Act 51 of 1977). While hundreds of crime definitions exist, the SAPS release crime statistics for what are considered as the most serious crime categories. The figures produced within many of these crime categories consist of different types of crime. The SAPS use the following crime categories to release statistics on crime that is reported to them.

Murder consists in the unlawful and intentional killing of another human being.

Attempted Murder consists in the commission of an unlawful act with the intention of killing another human being but which does not result in the death of that human being.

Sexual Offences: This category of crime replaces the former categories of rape and indecent assault. The new definition is contained in the Criminal Law (Sexual Offences and Related Matters) Amendment Act, Act 32 of 2007. This broad crime category includes over 50 crime types relating to violence sexual crimes, sexual exploitation, sexual grooming, trafficking and pornography.

Common assault is the unlawful and intentional –

- b) Threat of application of immediate personal violence to another, in circumstances in which the threatened person is prevailed upon to believe that the person who is threatening him has the intention and power to carry out his threat.

**Note:** The act may consist in the direct or indirect application of force or threats of force decisive factor is the use of force or violence.

Assault with the intent inflicts Grievous Bodily Harm is the unlawful and intentional direct or indirect application of force to the body of another person with the intention of causing grievous bodily harm to that person.

**Note:** The victim does not need to sustain serious injuries. The decisive element is the intention to cause serious injuries.

Common Robbery is the unlawful and intentional forceful removal and appropriation of movable tangible property belonging to another.

**Note:** The decisive factor is the use of force or violence. Incidents of robbery (including business and house robbery) are classified as common robbery if no weapon is used.

Robbery with aggravating circumstances is a broad category that includes cases of the unlawful and intentional forceful removal and appropriation in aggravating circumstances of movable tangible property belonging to another.

**Note:** Robbery cases are included in this category if any weapon, not restricted to a firearm, was used to commit the crime. The SAPS provide statistics for the following sub-categories of aggravated robbery:

## 6. Illegal Dumping

Under section 27 of the National Environmental Management, Waste Act 59 of 2008, "No person may throw, drop, deposit, spill or in any other way discard any litter into or onto any public place, land, vacant land, stream, watercourse, street / road or on any place to which the general public has access, except in a container or a place specifically provided for that purpose.

In terms of Mogale City's by-laws and adopted policies, a fine for illegal dumping may amount to R 10 600.

We encourage the community to assist the Municipality by reporting illegal dumping by taking pictures of the vehicle and registration number while they are dumping. Illegal dumping can be reported to the municipal offices at Coronation Park at 011 951 2179.

## 7. Radios

The Sector 4 two way radio network is one of the most valuable crime prevention / crime fighting tools we have in Sector 4. Please use the radio often during the day in order that you know how to use it when you have an emergency.

- Call Sign:

Each member has been allocated a call sign which is used as identification during radio communication. This comprises of your first initial, the first letter of your street name and your house number.

- Phonetic Alphabet:

A - Alpha	F – Foxtrot	K – Kilo	P – Papa	U – Uniform
B – Bravo	G – Golf	L – Lima	Q – Quebec	V – Victor
C – Charlie	H – Hotel	M – Mike	R – Romeo	W – Whiskey
D – Delta	I – India	N – November	S – Sierra	X – X-Ray
E – Echo	J - Juliet	O - Oscar	T - Tango	Y – Yankee
				Z - Zulu

- Charging batteries:

First Charge: Charge a new battery for 16 hrs before switching on your radio. Thereafter charge your battery until the red light turns green on the charger. Should the radio beep-beep when PTT is pushed, the battery could be flat and the radio will not transmit. Switch off radio when it's charging as it could cause problems on the network.

## 8. Roll Call

Roll call starts at 19h45 in the evenings with Noordheuwel on Mondays and Monument & Wentworth Park on Thursdays.

Roll Call Apology line: 071 233 1052

The purpose of roll call is to check that your radio is fully operational for the night ahead. Please allow all members of the family to have a turn to answer the roll call so that they

become familiar with the use of the radio. Remember the radio is not a toy. Try not to push the PTT button by accident.

Should you at times not be available for roll call, you are required to SMS your area, call sign and the dates on which you will be unavailable to the roll call number at least 1 hour before roll call commences. Please don't make apologies over the radio. Try to get a friend (Radio Buddy) to listen for your response at roll call. Should you not answer, they should phone you to find out if you are ok. If you do not answer roll call for 3 consecutive nights without apologies, the roll callers will stop calling you and you will have to request via the roll call apology line to be reinstated.

## **11. Interim Chairman – Wynand Horn**

The National lock down has brought an immense amount of challenges to our doorstep and we have strived to overcome these challenges as best as we can.

We as CPF have in this time of difficulty started a pantry where we aim to assist our community members who are in need. We have to date assisted several families with food parcels and we are planning to hand out hot meals in the weeks coming.

Our patrollers are back on the roads in full swing and we have had huge successes during the lockdown.

We are also planning a huge visibility drive in conjunction with APCAN and other emergency services in the next week or two. We will communicate a date and time shortly.

From the entire EXCO we would like to thank our community for their continuous support. We will always strive to do better in our community, not because we have to, but because we have a burning passion within us to always assist our community.
